

Jacob's Soccer Camp 2018 Registration Packet

Welcome to Jacob's Soccer Camp! Jacob's Soccer Camp (JSC) is a community-based soccer training program for young athletes with disabilities, run by volunteers. The program is designed to bring the opportunity to learn and play soccer to boys and girls with mental or physical disabilities.

JSC was formed in 2013 by Jacob Cohen, then 13 years old, with the simple goal of having fun and introducing kids with disabilities to soccer. While the main objective of the camp is to have fun, JSC is also serious about teaching the campers about the sport of soccer, and advancing their knowledge, skill and love of the game.

This Registration Packet will provide you with information about the program, how to register your child or children, certain rules and requirements for parents and campers, and some legal disclaimers for you to be aware of. Please read this Registration Packet carefully and complete all forms attached, including consents and waivers, and including the **Acknowledgment Form** attached hereto as Schedule A, to acknowledge that you have read and understand this Registration Packet. We recommend that you keep this information handy throughout the program, and, of course, we are happy to answer any questions that you may have about JSC at any time.

II. General Rules and Requirements for Parents and Campers

Campers ages 7 – 21 are invited to participate in the program.

Each program is organized and run by volunteer coaches and assistant coaches. JSC strives to give campers one-on-one training and guidance, with one volunteer for each camper whenever possible. We place campers in groups according to ability levels in order to optimize the experience for each camper. They are not grouped according to age.

For safety reasons and for the comfort of our campers and parents, JSC requires that a parent is present at all times during the program. Drop-off/pick-up is not permitted.

III. Camper Health and Medical Information

JSC collects health and medical information about its campers for the purposes of being well informed and prepared to work with each camper in a safe and competent manner. Parents are encouraged to share their child's relevant health and medical information with JSC using the **Health Form** attached hereto as Schedule B. By way of example only, it is helpful for JSC volunteers to be aware of any mobility impairments and/or learning disabilities that may impact a camper's abilities. However, JSC's collection of health and medical information is not, and shall not be deemed, for the purpose of enabling or obligating JSC to administer any health or medical assistance, including in the case of an emergency.

JSC, its volunteers and agents are not medical, healthcare or mental health professionals. JSC is not responsible for administering any medical treatments or taking any action in response to a medical issue that arises during the program. If a camper experiences a health problem during the program, the parent, and not JSC, is solely liable for administering care and making all decisions related to the camper's care. Notwithstanding the foregoing, JSC volunteers, acting solely in their capacity as Samaritans, shall take reasonable steps to respond to any emergent issues that arise during the program, including alerting the present parent as soon as possible. JSC may, but shall not be obligated to, rely on the information provided in the **Health Form** in taking such action.

Each parent hereby releases JSC, its volunteers and agents in connection with any injuries sustained by a camper during the program, pursuant to the **Parental Release** attached hereto as Schedule C. JSC requires that all campers have adequate health insurance coverage as a condition to participation in the program.

Each parent acknowledges and agrees that JSC is not a "covered entity" under the Health Information Portability and Accountability Act (HIPAA), and will not be liable for the disclosure or transmission of any information about a camper's health. JSC strives to keep confidential any information shared about the health of our campers, and JSC will only use the information disclosed on the **Health Form** for reasons related directly to ensuring that each camper's individual needs are met. Notwithstanding the foregoing, JSC shall not be responsible for the disclosure of any health and medical information to third parties.

IV. Promotional Activities

From time to time during the program, JSC may record photos and videos of the program, which may include photos and videos of campers ("**Recordings**"). JSC requests that parents give permission for JSC to use any such Recordings in JSC's marketing materials, such as camp brochures, displays, slide shows, on our website and in other marketing and promotional materials. To grant us permission to use your child's name, image, voice, and likeness in such materials, please review and sign the **Image Release** attached hereto as Schedule D. ***If you do not wish to give JSC permission, you are not obligated to sign the Image Release.***

V. Volunteer Screening

JSC screens its volunteers for the protection and safety of its campers. The extent of such screenings, which may include criminal background checks, is subject to JSC's sole discretion. Although JSC takes reasonable screening and other protective measures with respect to its volunteers, parents are expected to observe their children and stay alert at all times during the program.

VI. How to Register

Once you have reviewed the information in this Registration Packet, you may register your child or children for the program using the **Registration Form** attached hereto as Schedule E. Please send the completed **Registration Form** (Schedule E), along with your fully executed **Acknowledgment Form** (Schedule A), **Health Form** (Schedule B), **Parental Release** (Schedule C), and **Image Release** (Schedule D) to the following address:
